SUBJECT: Remedial Legislation Proposal – Safe Drinking Water Loan

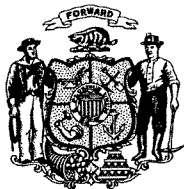

Section 281.61 (5) specifies the requirements for applying for a loan under the Safe Drinking Water Loan Program. This section states, in part, "The applicant shall submit the application before the April 30 preceding the beginning of the fiscal year in which the applicant wishes to receive the financial assistance." Closely read, this language establishes April 29 as the last date an application can be submitted. Deadlines for agency submittals are traditionally on the first day, the 15th or the last day of a month in order to simplify process requirements. The legislature has indicated it's intent by typically using the first day, the 15th or the last day of a month for statutory deadlines. It appears the phrase "before April 30" was a drafting error that inadvertently established April 29 as the deadline.

We propose the following change to s. 281.61, Stats.

5) Application. After the department approves a local governmental unit's engineering report submitted under sub. (4), the local governmental unit shall submit an application for safe drinking water financial assistance to the department. The applicant shall submit the application on or before the April 30 preceding the beginning of the fiscal year in which the applicant wishes to receive the financial assistance. The application shall be in the form and include the information required by the department and the department of administration and shall include plans and specifications that are approvable by the department under this section. An applicant may not submit more than one application per project per year.

This change would have no fiscal effect.

- 1 AN ACT ...; **relating to:** the deadline for applying for the Safe Drinking Water
2 Loan Program[✓] (suggested as remedial legislation by the Department of Natural
3 Resources[✓]).

Analysis by the Legislative Reference Bureau

Currently, under the Safe Drinking Water Loan Program, this state provides loans to local governmental units for projects for the construction or modification of public water systems. Current law requires a local governmental unit to submit an application for the program no later than April 29 to obtain a loan in the next fiscal year. This bill changes the last day for submitting an application for the Safe Drinking Water Loan Program to April 30. ✓

This bill is explained in the NOTES provided by the Joint Legislative Council in the bill.

Following
The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

stet
LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the department of natural resources and introduced by the Law Revision Committee under s. 13.83 (1) (c) 4., stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy. ✓

1 **SECTION 1.** 281.61 (5) of the statutes is amended to read:

2 281.61 **(5)** APPLICATION. After the department approves a local governmental
3 unit's engineering report submitted under sub. (4), the local governmental unit shall
4 submit an application for safe drinking water financial assistance to the department.
5 The applicant shall submit the application on or [✓] before the April 30 preceding the
6 beginning of the fiscal year in which the applicant wishes to receive the financial
7 assistance. The application shall be in the form and include the information required
8 by the department and the department of administration and shall include plans and
9 specifications that are approvable by the department under this section. An
10 applicant may not submit more than one application per project per year.
